First Weekend of every month we shall authorize the relatives to come if they wish to take their children at home and to return them after 2 days.

They will have two big holidays of 21 days each: Korite and Tabaski

The purpose of this approach is to allow:

To the child to keep in touch and an emotional link with his family:

To the parents or relatives to estimate the level of their child every month and to bring suggestions and recommendations

The start of the school is planned by October 1st, 2014.
